EXPERIENCE

Research Assistant

Mohammed VI Polytechnic University

📅 2020 - 2022

📍 Morocco

- Co-authoring research papers (04 papers published) focused on Survival analysis, Hurdle Count-Data Models, Hierarchical data analysis

Research & Teaching Assistant

Population Science and Development Research Lab (LaReSPD)

📅 2017 - 2020

📍 Benin

- Contributed to research papers (01 papers published & 01 presented at conference)
- Assisted in teaching (Statistics, Introduction to computing, Research concepts and methodologies, Social demography and population dynamics)

EDUCATION

M.Sc. in Modeling and Data Science

Mohammed VI Polytechnic University

📅 2020 - 2022

📍 Morocco

Thesis topic: Induction Representation learning on large graph

B.Sc. in Statistics

University of Parakou

📅 2014 - 2017

📍 Benin

Thesis topic: Hierarchical data analysis using Nested Multinomial Model

One year in Mathematics-Computing

University of Abomey-calavi

📅 2013 - 2014

📍 Benin
